WHERE ARE THE WINGERS? IT'S CATCH US IF YOU CAN!

FOR years, people were sighing and saying: "Where are the wingers in football?" Now, they are in evidence more and more ... and warning defenders: "Catch us, if you can!" Alan Groves, for instance, can match and master most defenders, on his day, and against Orient, as these pictures show, he commanded attention on more than one occasion. In fact, it needed no fewer than three opponents to keep an eye on him, in the bottom-left picture.

AND Bolton, today's visitors to Boundary Park, have a couple of players who can still make their experience count. One is former Burnley and Manchester United star Willie Morgan; the other is one-time Liverpool wing wizard Peter Thompson, pictured below. Notice the similarity in style, too, the way Alan Groves and Peter Thompson are balanced, as they get ready to take on and beat opponents. Here's hoping both players are fit again, after injury, to line up and parade their skills in today's local derby game!

Welcome to

BOLTON WANDERERS

NO DOUBT Bolton will visit Boundary Park this afternoon with a wistful thought of the might-have-beens last spring . . . for it was here we beat them . . . and here that West Brom won, in their final game of the season, to pip the Wanderers for the last promotion place, when all the points were totted up.

So Bolton were left to soldier on for another season in the Second Division. But while, as Lancashire neighbours, we were sorry we couldn't do the Wanderers a good turn last term, as Lancashire rivals, we shall be trying our utmost to put one across them again, today. For once more they are contenders for a promotion place, and so are we.

Bolton have rung a few changes in the ranks, since the start of the season. It came as a bit of a shock when their long-serving player, JOHN BYROM, announced that he intended to hang up his boots; then Bolton made a handsome gesture and allowed him to rejoin his first club, Blackburn Rovers, on a free transfer.

There was also the news that a key man in the back-four line, PAUL JONES, was ambitious to get a regular taste of First Division Football and, reluctantly, Bolton decided to notify clubs that he was available.

Then came another blow, when goalkeeper BARRY SIDDALL also voiced his ambitions about playing in the First Division and within mere days of his name being circulated, Sunderland snapped him up, for a fee in the region of £80,000. As luck would have it, newly-signed JIM McDONAGH had already joined the staff as cover, so he got his chance to step straight into the first team.

Bolton, of course, have also done a bit of other recruiting themselves and in the process, manager Ian Greaves has been able to count on some experienced players at Burnden Park. Former Liverpool winger

WANDERERS HOPE TO MAKE IT A HAPPY RETURN. . .

PETER THOMPSON, who knew the glory days when winning championship and Cup honours with the Anfield club, was joined by one-time Manchester United full-back TONY DUNNE, given a free transfer at Old Trafford . . . and when Willie Morgan was allowed to leave Burnley he was snapped up by Bolton.

Peter and Tony have both defied the years in recent seasons, and given Bolton tremendous service with their skills and experience, and Willie, who left Turf Moor for Manchester United, then returned to his first club, is another player who can make his skill and know-how count. He can operate as a winger, or do a midfield job.

Bolton have not had it all smooth sailing, for apart from their disappointment at not claiming a promotion place last spring, they have had players out of action through injuries, and those have included forwards, Peter Thompson, HUGHIE CURRAN and GARRY JONES and defender JOHN RITSON.

But the Wanderers have kept going, and they have been able to rely upon players who have shown considerable consistency — one thinks of SAM ALLARDYCE, in the back-four line, and ROY GREAVES AND PETER REID, who can make and score goals, and valuable contributions have also been made by players such as NEIL WHATMORE, PETER NICHOLSON, and ALAN WALDRON, while STEVE TAYLOR, who has been given a run in the front line, has shown that he knows the route to goal.

Bolton's start to the season was not a happy one, for they went down 3-1 at Ewood Park against Blackburn Rovers, but then they hit the winning trail with a 2-0 victory over Orient at Burnden Park, followed up with a 3-1 home win over Millwall, and won by the only goal of the game at Notts. County.

A LOT can happen in a short time, in football, as this picture shows. It's the Bolton first-team squad, and it was taken not long ago. Since when John Byrom has moved back to Blackburn, Barry Siddall has joined Sunderland, and Jim McDonagh, signed as cover, has stepped up as Siddall's replacement.

Picture Key: Back row (left to right): Peter Thompson (inset), Peter Reid, Garry Jones, Roy Greaves, Mike Walsh, Brian Smith, Paul Jones (inset). Centre row: John Byrom, Sam Allardyce, Barry Siddall, Andy Slack, Peter Nicholson, Neil Whatmore, Alan Waldron (inset). Front row: Hughie Curran, Steve Taylor, John Ritson, Willie Morgan, Tony Dunne.

They returned to Burnden to give Hull City a 5-1 trouncing, then went down to their second defeat of the season when they lost 2-1 to Chelsea at Stamford Bridge, before taking a point from Plymouth in a 1-1 draw at Home Park. However, they fell 3-0 at home to Blackpool, then lost 3-2 at Cardiff, so they need points now to pull back.

Taylor was on the mark in the win against Orient, scored two goals when Bolton beat Millwall, and two more when Hull conceded five goals. He was on the mark, too, in the defeats at Chelsea and Cardiff. Paul Jones has also shown that as well as stopping strikers, he can go up into attack and find the net, for he netted twice against Hull and has been a marksman from the penalty spot.

And a curio of Bolton's game against Plymouth was that both the goals — one for Plymouth, the other for Bolton — came from a Lancashire lad who has done so

well as a striker for Argyle. For it was Paul Mariner who put Plymouth ahead — and Mariner who, 10 minutes or so later, scored an "own goal" which brought Bolton their equaliser.

Bolton have seen other clubs lead the way in the Second Division table, but they were among the pacesetters at the start. After three games, they lay fourth; after four they had moved up to third, and with five matches played they were in second spot.

Then Wolves and Chelsea, in turn, took over the leadership, but while Oldham edged into third place, Bolton slipped to ninth position, after having lost at Cardiff. So they will be keen to make up leeway on their return to Boundary Park, where they lost by the odd goal in three on Boxing Day, last year. Obviously, they will be hoping for a good result today — just as Oldham will be aiming for a repeat of that Christmas-time victory last season.

More Matches Are Being Sponsored...

OUR sponsorship scheme has started... and we hope that YOU, the supporters, will play your part by joining in. As you can see on these pages, we are looking for people to sponsor players by donating money which will buy sets of kit, or individual items of kit. The prices are shown alongside.

As we point out, the name of the game is Soccer, but the name of the club is OLDHAM. And we hope that you will respond to our scheme by becoming a sponsor, just as several firms have already become sponsors of matches being played at Boundary Park.

Our first sponsored match was against Millwall, and today we have another sponsored game, with the visit of Bolton Wanderers. The sponsorship scheme is gathering momentum, for eight or more matches are being backed by business sponsors in the future. And we are very grateful indeed to J.W. Lees Brewery for their efforts on our behalf.

After Millwall and Bolton, we have Nottingham Forest (next Saturday), Carlisle (November 13), Sheffield United (December 27), Burnley (January 1, 1977) Wolves (February 26) and Hereford (April 16). And all being well, there will be other games sponsored by various firms.

We are encouraging local firms and individuals to give us their backing, and that goes for the supporters, too. Remember, you can make a donation which will cover a complete set of playing strip, or a single item.

If you require any further information about our sponsorship scheme, all you need to do is contact me at Boundary Park. Just drop me a line, or telephone: 061-624 4972 and you'll be given all the necessary details. And you can become even more closely involved with YOUR club by joining in the sponsorship scheme. I'll look forward to hearing from you!

SPONSORSHIP...

Leading the way with Soccer sponsorship in the U.K., and the chairman, Mr. Robert Barr, is keenly interested in a wide range of sports.

Only recently, Don Revie stated his views on sponsorship, and there are others like him who believe that sponsorship has an increasingly important part to play in helping to keep Soccer clubs alive and financially viable.

The Barr/Bolton association is a practical working example of how it operates, and Bolton and Barrs could well be blazing a trail which could be followed in a big way.

**Manager
JIMMY
FRIZZELL**
says —

FOR OUR second sponsored game of the season, we can be hopeful that we shall double our normal attendance, with the visit of Bolton Wanderers, and I have no doubt that they will bring with them plenty of vociferous support. We, for our part, want the 'Latics fans to make themselves well and truly heard.

As a manager, it's my job to try to produce results by fielding a team which wins matches; but support for the team is of paramount importance, in so many ways. And I am delighted that our sponsorship scheme has got off the ground in such a successful manner.

We can now count on sponsorship of games at regular intervals through the season, and — we hope — on individual sponsorship in the form of donations for playing kit. And all this helps to ease the financial burdens of the club, and to reduce the problems — including those of the manager — all round.

Like ourselves, Bolton want to be winners; but today we have home advantage, and we aim to make it pay. We have been up among the leaders for the past few weeks, and our intention is to ensure that matters stay that way. It's good to know, too, that we are receiving backing off the field to such an extent, from those who have joined in our sponsorship scheme. Our thanks to them — and let us hope that today's game provides another step in the right direction by 'Latics.

WHAT DO YOU KNOW ABOUT SOCCER?

QUIZ

1. What is the record victory achieved by a non-league club against a League club?
2. What is the lowest recorded gate in a First Division League game?
3. Name the player who captained three Cup-winning teams in successive years at Wembley.
4. Who was the last full-back to score in an F.A. Cup final?
5. Which player since the war has appeared in an F.A. Cup final, both as an amateur and as a professional?
6. Who was the last player to score a hat-trick in an F.A. Cup final?
7. Which player won caps for his country while playing for five different clubs?
8. What is the record win for a home-international game?
9. Name the last team to win the F.A. Cup by beating six First Division opponents.
10. Who was the last defender to score in an F.A. Cup final?

YOU'RE THE REF!

WINGERS are in fashion again... so here's a query for you to answer as the referee. The right-winger receives a pass from his centre-forward, races down the flank, and leaves the opposing full-back trailing. As the winger approaches the corner flag, he keeps the ball in play and sends over a cross which looks tailor-made for the centre-forward to head home... until the defending centre-half appears "from nowhere" to nod the ball for a corner.

The right-winger immediately takes the corner kick, and it's another good cross. In fact, the ball beats everyone as it curls over and strikes the near upright, then rebounds to the winger, who centres the ball into the six-yard area. Remember, you're the referee — so what's your verdict on this one?

THE ANSWER is clear-cut: you should award an indirect free-kick against the right-winger, and it should be taken from the spot where he played the ball a second time. Because he is not allowed to play the ball twice, without another player having touched it first. If you got it right, full marks...

KEN WALMSLEY, who comes from Blackpool, started refereeing at the age of 17, and progressed via local leagues in the Wigan and Leigh areas to the Lancashire Combination and the Football League list. He refereed the first women's Soccer international between England and Holland, this year, and has officiated in 33 non-league finals. He has also run the line for a European Cup match, for an England-Ireland amateur international, and for the 1973 Amateur Cup final. Keen on all sports, he played Soccer and cricket for Lancashire Schools, before cartilage trouble enforced his retirement.

NEWS AND VIEWS FOR SUPPORTERS

THERE's another Lancashire derby game coming up, when 'Latics visit Burnley at Turf Moor on Saturday, November 6. Admission to the stands on match days at Turf Moor is by ticket, obtainable at the ticket office, and these are the prices for reserved seats: Bob Lord Stand, £2; Cricket Field Stand, £1.50. Tickets are available one month in advance from the ticket office at Turf Moor, and anyone applying should enclose a stamped, addressed envelope. Admission prices to the ground on match day: adults, 75p., senior citizens and juveniles under 12 years, 50p.

There is a special enclosure for visiting supporters, which includes their own turnstiles on Belvedere-road, toilets, kiosks selling hot snacks, hot drinks, sweets, cigarettes, cigars and soft drinks, and the match-day magazine. There is also a licensed bar.

A BIG vote of thanks to Mr. Brian Docksey (Failsworth Motor Sales), who once again provided the vehicle used by the ball boys in the Oldham Carnival this year. The junior supporters football teams had a full day out at Blackpool (24.8.76), losing one and drawing the other of their two matches; and because of our excellent result at Blackpool by the first team, the day ended on a very happy note for all.

All official members of the Supporters' Club are entitled to travel at reduced rates to away matches. The cash benefits far outweigh the 50p adult and 25p junior membership fee that is necessary. Membership forms can be obtained from the Secretary, J. Vernon, 22 Eleanor-road, Royton, or Mr. Norman Keeley, 27 Highlands-road, High Crompton, Shaw. Please enclose a stamped self-addressed envelope for your membership card. Forms can also be obtained from the Souvenir Shop and 1a King-street, Oldham. **YOUR TEAM NEEDS MORE SUPPORT AT AWAY MATCHES.** So why not join this happy band of genuine supporters?

FOREST spread the goals around

TWO home games in eight days give Latics a chance to consolidate their place among the Second Division leaders, especially as we meet other promotion contenders in Bolton Wanderers today and Nottingham Forest next Saturday. And Forest have been quietly moving up the table, during recent weeks.

Brian Clough's team kicked off with a draw at Fulham and another at home against Charlton, then they went down at home to Wolves. So, after three games, Forest were sixth from the foot of the table.

Then they shared the points at Luton, got the better of Hereford in a seven-goal thriller on their own ground, and drew 1-1 at Southampton, to give them six points from six matches and a middle-of-the-table spot.

Five goals against Carlisle... none at Hull in a single-goal defeat... then six goals against Sheffield United at home... and as 'Latics moved into third place, by beating Millwall, Forest were just one step and one point behind. Forest's leading marksman has been former Manchester City player Ian Bowyer — twice he has scored two goals in a game — and former Derby man John O'Hare has been getting goals for his new club, too, as has Terry Curran.

Forest have speculated in the transfer market, signing Sean Haslegrave from Stoke and Peter Withe from Wolves at a combined total of around £80,000, and Withe repaid part of his fee with goals against Carlisle and Sheffield United. Barry Butlin, too, has been on target, so Forest's goals have been spread around.

Youth Cup Date

DON'T forget that there is a game at Boundary Park next Tuesday (kick-off 7.00 p.m.), when we play Blackpool in the first round of the Lancashire F.A. professional League clubs' Youth Cup. We hope we can count on your support.
